Dear Colleagues,

We cordially invite you to participate in the 2015-2016 education programs of the Shiley Eye Institute and Department of Ophthalmology at UC San Diego. This coming year marks the 25th anniversary of the Shiley Eye Institute and we will offer a variety of learning opportunities for the community.

Highlights of the upcoming year include:

- Every Monday evening, we host weekly **Grand Rounds** with interesting case presentations and stimulating discussion.
- Monthly, we offer the **Ophthalmology Community Lecture Series** with a visiting professor. Prominent specialists and international leaders will update you on the latest in ophthalmic treatments and techniques.
- Monthly, we hold the **Vision Research Seminar Series** featuring both UC San Diego faculty and guest speakers.
- February 13 - 14, 2016, we will present our annual two-day **Ophthalmology Update** to be held at the Hilton Torrey Pines.
- May 23, 2016, we will hold our **Annual Residents and Fellows Research Day**. Residents and fellows will present their research along with an "ARVO Wrap-Up".

You are welcome to attend any of these educational activities and we look forward to seeing you. Please contact Karen Anisko Ryan (kanisko@ucsd.edu or 858-534-8017) for any further information or check our website at <http://shileyeye.ucsd.edu> for details of the dates and times.

Sincerely,
